HB 5152

Special Mobile Equipment Exemption

257.62 "Special mobile equipment" defined.

Sec. 62. "Special mobile equipment" means every vehicle not designated or used primarily for the transportation of persons or property and incidentally operated or moved over the highways, including farm tractors, road construction or maintenance machinery, mobile office trailers, mobile tool shed trailers, mobile trailer units used for housing stationary construction equipment, ditch-digging apparatus, and well-boring and well-servicing apparatus. The foregoing enumeration shall be considered partial and shall not operate to exclude other vehicles which are within the general terms of this definition. Although not within the general terms of this definition, the combination of a mobile car crusher trailer permanently attached to a truck tractor or road tractor shall be considered special mobile equipment for purposes of this act.

On all highways in Michigan under the jurisdiction of the Michigan Department of Transportation in accordance with the following conditions, and restrictions.

Each vehicle within a combination of vehicles (truck-trailer, semi-trailer, lowboy, etc.) and each object being moved must have an individual valid permit within the same category. If axle weights are above legal limits when fully loaded, truck, trailer & object must be individually permitted as overweight.

Permits must be in the possession of the permittee during transport.

Conditions and Restrictions

All application and permit fees are nonrefundable, pursuant to Act 561 of PA 2002.

- Subject to the conditions, restrictions, and approval, this permit for the transportation of oversize/overweight equipment has been issued for movement on all State trunklines except travel on US-131 between M-11 and I-196 in Grand Rapids is limited to right lane only, M-40 from US-12 to M-60 in Cass County, and M-100, entire length, between I-96 and I-69 in Clinton and Eaton County.
- The permittee shall be responsible for damages to the highway, to persons and to property caused by or arising from operations covered by this permit. The permittee shall indemnify and save harmless the Transportation Commission, the department and all of their employees from any and all suits, claims, and damages of every kind arising out of, under or by reason of this permit, or from operations covered by this permit.
- The driver of the vehicle shall carry the permit in the vehicle to which it applies and shall have it available for inspection by any police officer or agent of the Department of Transportation. The driver shall stop at all highway weigh stations for permit inspection.
- Insurance coverage required in the law of this state shall be in effect for moves operating with an over weight or over size permit.
- Any of the following actions shall immediately void the permit and subject the applicant to appropriate legal action:
 - Misrepresentation of information set forth in an application for permit.
 - Any operation on state trunkline highways beyond the size or weight limitations shown on permit.
 - A change or erasure on a permit.
- Permits are not valid for periods extending beyond the expiration date. Extended permits will not be issued for a period of less than a year.
